

DONNA LIEWER-COHEN GRANT APPLICATION

About the Grant

The following information is requested for the purposes of the Federation of Chiropractic Licensing Boards to determine eligibility for a grant, to assist in the participation of chiropractic board administrators at the spring national meeting of the FCLB.

During Ms. Donna Liewer-Cohen's 24 years as Executive Director of the FCLB, she earned the George Arvidson Award for Meritorious Service, helped initiated numerous service programs including CIN-BAD, PACE, and CCCA, and served as a friend and guide to a generation of regulators.

In honor of Ms. Liewer-Cohen's service, the FCLB Board of Directors has chosen to assist an essential regulatory board member to attend the FCLB annual educational congress. This grant provides up to \$2,500 in hotel, travel, and registration expenses. Board administrators provide invaluable support to regulatory board members, acting as advisor, historian, and facilitator in addition to keeping the board running.

Your responses to the questions below will aid the FCLB in selecting an eligible administrator to be sponsored for this meeting. Please be complete, but concise in your answers. If you need more space, please feel free to add additional sheets.

Good luck!!
