

Remarkable Innovations in On-Line Credentialing

Current, accurate information on

- Board actions
- DHHS exclusions
- Licensure
- Practice

Includes 2 databases in one!

- Official Board Actions
- DHHS Medicare Sanctions

CIN-BAD's ever-expanding databases are increasingly significant to

- **regulatory boards**
- **chiropractic colleges**
- **managed care organizations**
- **Credentialing verification organizations**
- **law enforcement**, and
- **the public**

CIN-BAD

- Centralizes access to public records
- Simplifies credentialing
- Increases license portability

Protecting the public
by promoting excellence
in chiropractic regulation
through service to
our member boards

Thanks to the
National Chiropractic Mutual
Insurance Company
for funding the continued development
of the CIN-BAD system.

CIN-BAD ACCESS

Annual Access Level 1

Organizations that use CIN-BAD information for internal purposes only (such as managed care organizations) may access CIN-BAD for \$500/year

Annual Access Level 2

Businesses providing credentialing services (such as CVO's) may subscribe to CIN-BAD for an annual fee of \$1,500.

Once you've subscribed to CIN-BAD, you only pay for what you use!

- \$3.50 search fee (search by name)
- Searching also allows you to browse lists so that you may check for spelling variations, similar names, etc.
- If you find board actions for an individual, you may generate a Full Report for \$13.50

Individual Queries

Looking to check just a few names? No need to subscribe! Go to www.fclb.org to download and complete the CIN-BAD Query Form. Fax, email or mail it back to us with your \$26 payment (FCLB accepts check, money order, and all major credit cards), and the FCLB staff will conduct your query and return results within 3 business days.

PROGRAM OVERVIEW

Official Actions Database

Public records of actions by chiropractic regulatory licensing boards.

Medicare/Medicaid Exclusions

Exclusions from reimbursement by the Department of Health and Human Services

Action Information

Reports from all U.S. boards as well as boards from Canada and Australia. Actions dates range from 1954 to current.

NCQA Standards

CIN-BAD is recognized as an acceptable source for your agency to check for chiropractic board actions as part of credential verification

Simplification!

You can check with more than 50 licensing bodies with one online search!

SUPPORT

As a CIN-BAD Subscriber you receive

- **Introductory Information Packet** - everything you need to know to get started
- **Unlimited individual user accounts** - maintain security and accountability
- **Reporting and tracking options**
- **Telephone Technical Support**
- **Tip Sheets**
- **Relevant Publications**
- **Online Data Entry and Retrieval**- Member boards enter public actions online and subscribers can conduct searches on a secure Web site
